

RTW Fortune 500 Case Study

Consulting Case Study – Fortune 500 Company

- 77% of “high-risk” claimants returned to work within 30 days
 - 81% of the claims were closed within 30 days (our file closed meaning no additional RTW involvement)
 - 72% of high-risk claims with a “full duty” release to work reached MMI or End of Physician Care
 - Results were 76% better than standardized disability guidelines
-
