1995 EMPLOYEE STOCK PURCHASE PLAN
AS AMENDED THROUGH JUNE 15, 2005

SECTION 1

PURPOSE

The purpose of this Employee Stock Purchase Plan is to provide a greater community of interest between RTW, Inc. shareholders and its employees, and to facilitate purchase by employees of additional shares of stock in the Company. It is believed the Plan will encourage employees to remain in the employ of the Company and will also permit the Company to compete with other corporations offering similar plans in obtaining and retaining the services of competent employees. It is intended that options issued pursuant to this Plan shall constitute options issued pursuant to an "Employee Stock Purchase Plan" within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended.

SECTION 2

SECTION 3

TERM AND PHASES OF THE PLAN

(a) The Plan will commence on the Commencement Date and will terminate ten (10) years thereafter or such sooner date as all of the Shares have been issued. If, however, the Plan is amended to increase the number of shares issuable under the Plan, then the Plan will terminate ten years after the date of shareholder approval of the

increase in the number of shares issuable under the Plan. Foregoing, this Plan shall be considered of no force or effect and any options granted shall be null and void unless the shareholders of the Company approve the Plan within twelve (12) months before or after the date of its adoption by the Board of Directors.

In the event all of the stock reserved for grant of options hereunder is issued pursuant to the terms hereof prior to the commencement of one or more Phases scheduled by the Committee or the number of shares remaining is so small, in the opinion of the Committee, as to render administration of any succeeding Phase impracticable, such Phase or Phases shall be cancelled. Phases shall be numbered successively as Phase 1, Phase 2 and Phase 3.

SECTION 4

2. Which permits the Employee to purchase shares under such plans of the Company or a parent or a subsidiary of the Company to accrue at a rate which exceeds \$25,000 of the fair market value-of such shares (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time.

SECTION 5

(a) Upon enrollment in any particular Phase, of the Plan, a Participant shall elect to make contributions to the Plan by payroll deductions (in full dollar amounts calculated to be as uniform as practicable throughout the period of the Phase), in the aggregate amount not in excess of the sum of 10% of such Participant's Base Pay for the term of the Phase, as determined on the basis of his annual or annualized Base Pay at the commencement of the Phase. The minimum authorized payroll deduction shall be \$10 per month.

(b) All payroll deductions made for a Participant shall be credited to the Participant's account under the Plan. The Participant may not make any separate cash payments into such account.

(b) As of the commencement of a Phase when a Participant's payroll deduction authorization becomes effective, the Participant shall be granted an option for as many full shares as he will be able to purchase with the payroll deduction credited to the Participant's account during his participation in the Phase, subject to the limitations of Section 10. The maximum number of shares subject to purchase by a Participant shall equal the total amount to be credited to the Participant's account under Section 6 hereof divided by the option price set forth in Section 7, paragraph (c)(1) hereof.

(c) The option price of shares to be purchased with payroll deductions for an Employee who becomes a Participant as of the commencement of a Phase shall be the lower of:

SECTION 8

(a) Unless a Participant gives written notice to the Company as provided in Section 9, an option for the purchase of shares will be exercised automatically as of the Termination Date of the Phase for the purchase of the number of full shares which the accumulated payroll deductions in the Participant's account at that time will purchase at the applicable option price, but in no event shall the number of full shares be greater than the number of full shares which the Participant is eligible to purchase under Section 7, paragraph (b).

(b) By written notice to the Company within one week prior to the Termination Date of the Phase a Participant may elect, effective at the Termination Date, to:

1. withdraw all the accumulated payroll deductions in the Participant's account at the time, without interest;
2. exercise his option for a specified number of full shares less than the number of full shares which the accumulated payroll deductions in his account will purchase at the applicable option price, and withdraw the balance in the Participant's account without interest, but in no event shall the number of full shares be greater than the number of full shares to which a Participant is eligible to purchase under Section 7, paragraph (b).

SECTION 9

DEATH, WITHDRAWAL OR TERMINATION

(a) In the event of the death of a Participant during any Phase of the Plan, the person or persons specified in Section 18 may give notice to the Company within sixty (60) days of the death of the Participant, but in no event later than the end of the period specified in Section 8, paragraph (b), electing to purchase the number of full shares which the accumulated payroll deductions in the account of such deceased Participant will purchase at the option price specified in paragraph (c) of Section 7 and have the balance in the account distributed in cash without interest. On April 7, 1998, the Board of Directors increased the number of shares reserved by 62,500 (as affected by the one-for-two

which options are to be granted on any date in accordance with Section 7 exceeds the number of shares then available under the Plan (after deduction of all shares for which options have been exercised or are then outstanding), the Committee shall make a pro rata allocation of the shares remaining available in as nearly a uniform manner as shall be practicable and as it shall determine to be equitable. In such event, payroll deductions to be made shall be reduced accordingly and the Committee shall give written notice of such reduction to each Participant affected thereby.

(b) As promptly as practicable after the Termination Date of a Phase, the Company shall deliver to each Participant the full shares purchased under exercise of his option, together with -a cash payment equal to the balance (without interest) of any payroll deductions credited to his account which were not used for the purchase of shares.

It is provided, however, that the provisions of the Plan shall be construed so as to extend and limit participation in the Plan only in a manner consistent with the requirements of Section 423 of the Code. For all purposes of this Plan other than this Section 11, references to the Committee shall also refer to the Board of Directors.

SECTION 12

AMENDMENT OF THE PLAN

The Board of Directors of the Company may at any time amend the Plan, except that no amendment may make any change in any option theretofore granted which would adversely affect the rights of any Participant, and no amendment shall be made without prior approval of the shareholders of the Company if such amendment would require sale of more shares than are authorized under Section 10 of the Plan or change the qualifications of Eligible Employees under the Plan.

SECTION 16

CHANGES IN CAPITALIZATION, MERGER, ETC.

(b) Subject to any required action by the shareholders, if the Company shall be involved in any merger or consolidation, in which it is the surviving corporation, each outstanding option shall pertain to and apply to the securities to which a holder of the number of shares subject to the option would have been entitled. A dissolution or liquidation of the Company shall cause each outstanding option to terminate, provided in such event that, immediately prior to such dissolution or liquidation, each Participant shall be repaid the payroll deductions credited to his account without interest.

(c) In the event of a change in the shares of the Company as presently constituted, which is limited to a change of all its authorized shares with par value into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the shares within the meaning of this Plan.

SECTION 17

ADJUSTMENTS TO SHARES

(a) To the extent that the foregoing adjustments relate to shares or securities of the Company, such adjustments shall be made by the Committee, and its determination in that respect shall be final, binding and conclusive, provided that each option granted pursuant to this Plan shall not be adjusted in a manner that causes the option to fail to continue to qualify as an option issued pursuant to an "employee stock purchase plan" within the meaning of Section 423 of the Code.

(b) Except as hereinbefore expressly provided in Sections 16 and 17, the optionee shall have no right by reason of any subdivision or consolidation of shares of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of any class or by reason of any dissolution, liquidation, merger, or consolidation or spin-off of assets or stock of another corporation, and any issue by the Company of shares of any class, or securities convertible into shares of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares subject to the option.

(c) The grant of an option pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or any part of its business or assets.

SECTION 18

BENEFICIARY DESIGNATION

A Participant may file a written designation of a beneficiary who may elect to purchase shares or receive cash to the Participant's credit under the Plan in the event of such Participant's death prior to delivery to him of such shares and cash. Such designation of beneficiary may be changed by the Participant at any time by written notice delivered to the Company. Upon the death of a Participant and upon receipt by the Company of proof deemed adequate by it of the identity and existence at the Participant's death of a beneficiary validly designated by him under the Plan, the Company shall deliver such shares and cash to such beneficiary in accordance with paragraph (a) of Section 9. If upon the death of a Participant there is no surviving beneficiary duly designated as above provided, the Company shall deliver accumulated payroll deductions to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company) within sixty (60) days following the Participant's death, the Company shall deliver such accumulated payroll deductions to the surviving spouse, if any, as though named as the designated beneficiary hereunder, or if there is no such surviving spouse or child, then to such relatives of the Participant as would be entitled to such amounts, under the laws of intestacy in the deceased Participant's domicile as though named as the designated beneficiary hereunder. The Company shall not be liable for any distribution made of shares or cash pursuant to any will or other testamentary disposition made by such Participant, or because of the provisions of law concerning intestacy, or otherwise. No designated beneficiary shall, prior to the death of the Participant by whom he has been designated, acquire any interest in the shares or cash credited to the Participant under the Plan.

SECTION 19

REGISTRATION AND QUALIFICATION OF SHARES

The offering of the shares hereunder shall be subject to the effecting by the Company of any registration or qualification of the shares under any federal or state law or the obtaining of the consent or approval of any governmental regulatory body which the Company shall determine, in its sole discretion, is necessary or desirable as a condition to or in connection with, the offering or the issue or purchase of the shares covered thereby. The Company shall make every reasonable effort to effect such registration or qualification or to obtain such consent or approval.

SECTION 20

PLAN PRECONDITIONS

The Plan is expressly made subject to (i) the approval by shareholders of the Company, and (ii) at its election, the receipt by the Company from the Internal Revenue Service of a determination letter or ruling, in scope and content satisfactory to counsel, respecting the qualification of the Plan within the meaning of Section 423 of the Code. If the Plan is not so approved by the shareholders and if, at the election of the Company, the aforesaid determination letter or ruling from the Internal Revenue Service is not received on or before one year after this Plan's adoption by the Board of Directors, this Plan shall not come into effect. In such case, the accumulated payroll deductions credited to the account of each Participant shall forthwith be repaid to him without interest.

Re: Opinion of Counsel as to Legality of 350,000 shares of Common Stock
to be Registered under the Securities Act of 1933

Ladies and Gentlemen:

This opinion is furnished in connection with the registration under the Securities Act of 1933 on Form S-8 of 300,000 shares of Common Stock, no par value of the Company, issuable under the Company's 2005 Stock Plan and 50,000 shares issuable under the Company's 1995 Employee Stock Purchase Plan.

As general counsel for the Company, we advise you that it is our opinion, based on our familiarity with the affairs of the Company and upon our examination of pertinent documents, that 350,000 shares of Common Stock to be offered pursuant to the Plans will, when paid for and issued, be validly issued and lawfully outstanding, fully paid and nonassessable shares of Common Stock of the Company.

The undersigned hereby consent to the filing of this opinion with the Securities and Exchange Commission as an Exhibit to the Registration Statement registering the 350,000 shares of Common Stock under the Securities Act of 1933.

Very truly yours,

LINDQUIST & VENNUM P.L.L.P.
